

CNW 2021 Checklist

This year, we're asking members of the community to complete a series of Daily Actions on each of the five days of Celebrate Nonprofits Week. Daily Actions are meant to be quick, relatively easy things that folks can do to help support their favorite nonprofits and the sector as a whole. When someone completes four or more Daily Actions, they'll be entered to win a \$100 VISA gift card.

Daily Actions will be announced each day of CNW at 9:00 AM on The Nonprofit Partnership's social channels and by email.

While Daily Actions will remain top secret until then, to best capitalize on the community's good will, we suggest completing the following tasks to prepare ahead of CNW:

- **Register for Erie Gives if your organization is eligible and has not done so already.**
 - You can register for Erie Gives at <https://www.eriegives.org/>. Registration for Erie Gives must take place each year and is a separate process from renewing your organization's membership with The Nonprofit Partnership.
 - Questions about Erie Gives can be directed to Khristina Bowman at kbowman@eriecommunityfoundation.org.
- **Register for Get Connected OR update your organization's Get Connected profile and opportunities.**
 - Register for Get Connected or log in to your organization's existing profile at <https://www.getconnectederie.org/>.
- **Create an Amazon Wish List (or another registry) and send it to info@yournpp.org, subject line "Wish List – Organization Name"**
 - You can view instructions on creating an Amazon Wish List [here](#).
 - Alternative wish lists and registries are welcome!
 - Please submit your Wish List in advance of Celebrate Nonprofits Week to ensure timely sharing.
- **Make sure your newsletter signup form is easily accessible on your website.**

Questions? Email Erin Yates, Director of Operations & Partnerships, at eyates@yournpp or call (814) 480-9178.
